Head of NSA

SUTHERLAND CONNER - ANTAGONIST 2, HEAD OF NSA

KATERINA TESLA

Does the President know the suit
is missing?

SUTHERLAND CONNER

No!...and he isn't going to know
either. General you get me that
suit back or the only army you'll
ever command will be a game of
Stratego.

GENERAL NAILS

Simon is your operative.

(bangs fist)

He shouldn't have even been on
that chopper!

AGENT MANN

Gentleman, time is of the essence.
I'm going to need photos,
coordinates of the crash,
technical specifications and
anything else you can provide that
will help me locate the weapon.

GENERAL NAILS

If Simon Bane has that suit, just
follow the trail of destruction.

SUTHERLAND CONNER

Dead or alive. I don't care who,
where or how much. Just bring me
back my suit.
